Scarborough & North York Moors

Scarborough has retained the charm and style established in its Victorian heyday. Its elegant architecture, many interesting little shops and attractive gardens make it a resort to relax and potter in. Nearby, the North York Moors National Park provides a beautiful contrast with spectacular viewpoints and visitor attractions.

Day 1: We begin our journey to our hotel, making comfort stops en route.

Days 2 to 5: A local guide joins today as we travel through the North York Moors.

• Today is free to explore Scarborough, why not immerse yourself in Scarborough's history with Scarborough Castle and the Rotunda Museum of geology. You could venture down

to the seafront to enjoy the traditional amusement arcades, ice cream parlours, shellfish stalls and beach huts.

• Travel first to the attractive town of Whitby. Many flock to Whitby for its boutique shops and quirky streets, where you will find unique Whitby jet jewellery and other fascinating items. A trip to Whitby would not be the

same without climbing the 199 steps to Whitby Abbey, counting as you go, and exploring the beautiful ruins which tower over the town. We then return back to Scarborough for a free afternoon to explore.

• After breakfast we travel to York where our guide meets us for a morning guided tour. This afternoon enjoy some free time at leisure who not stroll through the Snickleways of York, take in a gallery or museum, visit the bustling shopping streets, or relax in one of the many wine bars and restaurants.

Day 6: After a leisurely breakfast, we begin our journey home making comfort stops en route.
