A Short Break in the Cotswold's

Day 1: Our first day will take us to **Aerospace Bristol**. Beginning in the earliest days of powered flight; Aerospace Bristol takes visitors on a fascinating journey through aviation history.

Day 2: After breakfast, our guide joins us at the hotel for a **full day guided tour** in the Cotswold's visiting plenty of beautiful places and having plenty of free time for coffee and lunch.

Day 3: After breakfast, we call back in **Bristol**, where you could visit the Brunel's SS Great Britain (optional). Experience the sights, sounds and smells of life on board for the passengers and crew. Descend under water below the glass'sea' to touch the world's first Great Ocean Liner. We then continue our journey heading home, making comfort stops on our way.
