

Looe, The Cornish Coast & The Eden Project

4 Days
£340

Day 1: We journey to Looe for 3 nights half board accommodation at The Portbyhan Hotel.

Day 2: Today we visit the fishing village of **Padstow**. Padstow is full of Cornish charm, featuring a quaint quayside with colourful fishing boats and narrow cobbled streets lined with cosy pubs, tea rooms, and small shops selling local crafts, art, and locally produced food. After some time in Padstow, we return to Looe where you'll have free time to further explore the town, perhaps taking a leisurely walk along the harbour or enjoying a cup of tea at one of the local cafes.

Day 3: After breakfast, we have a full day at

the **Eden Project**, often hailed as the Eighth Wonder of the World. Explore the vast tropical biomes, including the Rainforest Biome, the world's largest greenhouse, and the Mediterranean Biome with its orange and lemon trees, olive groves, and vineyards. Discover the 30-acre Outdoor Garden with plants like hemp and sunflowers. The Eden Project offers a unique look at the relationship between plants and people and is a hub for education and sustainability. We return to the hotel in the late afternoon.

Day 4: Sadly it is time to head for home, making comfort stops en route.
