# Stunning St. Anton – Austria

The stylish resort of St. Anton became the first truly international ski destination when the Orient Express transported the rich and famous to this winter wonderland. In the summer months, St. Anton is even more beautiful and is a great base from which to explore the area's stunning scenery and neighbouring countries.

**Day 1: Please note: Tour pick-ups start on Friday 9th August.** Depart West Wales and travel to Dover for the ferry crossing to Calais, before continuing our journey to our overnight hotel.

**Day 2:** We depart our hotel and travel to St. Anton for our 5-night stay at the hotel.

**Days 3 to 6: Day at leisure in St. Anton –** Free day to relax and explore St. Anton. Your Summer card includes the use of all cable cars, free admission to the Museum St. Anton and unlimited use of all operating buses running between Landeck and St. Christoph.

- **Lake Constance** – After breakfast we make our way to Bregenz, framed by impressive mountain chains and nestled by Lake Constance. There is time to enjoy and explore the medieval centre of the city and

see the landmark baroque onion spire of St. Martin's tower before we journey a short distance around the shores of Lake Constance to the town of Lindau. This historic town is actually an island brimming with medieval and half-timbered buildings.

- **Silvertta Pass** – Today we make a journey over one of the most beautiful Alpine passes, the Silvretta Pass, which travels round more than 30 hairpin bends. We view Piz Buin, the highest mountain in Vorarlberg. The scenery on this high road is simply unforgettable and a real highlight of the holiday.

- **Liechtenstein & Arosa Bahn** – We head westwards to one of the smallest countries in Europe today, Liechtenstein. We stop in the capital Vaduz, where there will be the opportunity to

visit the Liechtenstein National Museum, which gives a fascinating insight into the history of this little country. We continue our journey to Chur, where we join the Arosa Bahn. This lovely mountain railway takes us from the bustling town of Chur to Arosa, climbing a thousand metres in just 26 kilometres around tight curves and steep inclines.

**Day 7:** We leave St. Anton and journey back to our overnight hotel making plenty of comfort stops en route.

**Day 8:** After an early breakfast we travel to Calais for the ferry crossing to Dover and the journey home.
