# Llandudno Mock Cruise

M.V. Tynedale the original land-based cruise ship, first took to the oceans in 1992. Since then it has been copied by many, but bettered by none. These ever-popular cruise breaks benefit from years of experience and investment of time, money and innovative ideas that create an atmosphere of actually being at sea on a cruise ship. The experience starts with the issue of a passport which gets stamped at each port of call, providing you with a great, permanent memento of your holiday cruise.

**Day 1:** With a morning departure, we will travel North with comfort stops en route, arriving at our hotel with time to relax before our evening meal.

**Days 2 to 4:** After our special cruise breakfast we will make our way to **Llanberis** and then continue on to **Betws-y-Coed** and arrive back in time for afternoon tea.

### **A day at leisure to relax or explore**
