

Bristol, Bath & Bowood Bliss Weekend

4 Days
£450

Day 1: We travel to the vibrant city of **Bristol** where you have some free time at leisure, we suggest you take the opportunity to explore at your own pace. A visit to the bustling harbourside area is a must with a hive of activity including shopping, entertainment, and markets. For a great way to see the city, why not take a boat cruise for a waters eye view. The SS Great Britain is also an amazing visit - seeing Brunel's ship which changed the way we travel today, in the dry dock it was actually built in. Brunel's mind and achievements are brought to life in the city where it happened. We then head to the **Aztec Hotel & Spa** for a 3-night stay.

Day 2: Today we visit the stunning city of **Bath** - a delight at any time of year. Whether you want to get lost in Austen, visit a Roman Bath or take your own rooftop thermal bath in the modern

spa, there are choices galore. For a tasty treat try a Sally Lunn Bunn serving the same delicious recipe since 1680, or shop until you drop in the fantastic range of shops and boutiques that line the beautiful mellow stone streets.

Day 3: This morning, we head to the magnificent Home of the Lansdowne Family, **Bowood House** which lies in 100 acres of one of the finest Gade 1 listed 'Capability' Brown parkland. Explore the historic house with its rich and fascinating history of the Lansdowne family with your included **guided tour**. This afternoon we stop at the nearby picturesque **town of Corsham**, the town offers independent shops and cafes, and may seem familiar as the setting for the Cornish fishing port of Truro in the popular Poldark TV series.

Day 4: After breakfast, we will begin our journey home stopping for comfort stops en route.
