Doc Martin's Coastal Cornwall St. Agnes

St. Agnes is a picturesque village on the north coast of Cornwall. Steeped in mining history, the village still retains a traditional friendly Cornish atmosphere and makes a wonderful base for your holiday.

Day 1: A leisurely journey to Cornwall with comfort stops en route. Arriving at our hotel mid-afternoon.

Day 2: After breakfast, we travel to **St. Ives** for a morning visit. St Ives is a picturesque fishing village with an artistic flair. Take in the character and charm of this quaint retreat. Follow the winding streets to the town centre, and shops surrounded by a scenic harbour. Get swept up in the coastal magic of it as the fresh air fills your lungs. This afternoon, we visit **Truro**, boasting an enviable range of independent shops; it's a great chance to visit Truro Cathedral and the Royal Cornwall Museum.

Day 3: This morning we visit **Port Isaac**.

Which has become a popular location for both films and television series. The village is possibly best known as the fictional Portwenn from the ITV television series Doc Martin. The 2000 comedy thriller Saving Grace was also filmed in the village as was Swept from the Sea in 1997. *The coach will park at the top of the hill, so guests will need to be able walkers to walk down the hill to the village and back up again.* We visit **Padstow**. The harbour is undoubtedly the strongest attraction in the town and visitors find themselves drawn to it like a magnet. Fishing and pleasure craft rock side-by-side on their moorings, quayside inns and cafes overlook the calm water - There's something for everyone.

Day 4: This morning we travel to **Falmouth** on the south coast of Cornwall. Falmouth is famed for its thriving harbour and rich maritime heritage. We will return to St. Agnes for a free afternoon to explore the village. Why not explore its interesting shops, and wonderful pubs and restaurants; they are well worth a visit!

Day 5: Sadly after breakfast, it is time to leave St. Agnes and head for home, making comfort stops en route.
